

Dear Member,

We are writing to you to tell you about a significant change that we are proposing to make to our regular coffee mornings.

As you know for many years we have had a coffee morning in the Quaker Meeting House on the first Saturday in the month throughout the year. It has been apparent over the last year or so that many of our members have found it increasingly difficult to attend.

In future we intend to hold three or four coffee mornings throughout the year in the hospital. As we obviously have to fit in with the working of the hospital we cannot provide a set timetable at the start of the year but we will advise members of dates via our website friendswmhshaftesbury.org.uk email and the usual notice sites throughout the town.

The coffee mornings will be in addition to the Fete, Garden Party and any other event that we hold.

We hope that we can count on your support for the change and our Christmas Coffee Morning and Fair this year will still be held at the Quaker Meeting Hall on 1st December and we hope to see you there.

If you have not already informed us of your email address it would be most helpful if you could email our secretary - lizheath@btinternet.com

With best wishes,

Signed on behalf of the committee
